## Applied Edits

| Day     | Type           | New text                                                                                                            |
|---------|----------------|---------------------------------------------------------------------------------------------------------------------|
| Day 123 | morning_impact | Pray the hidden question before it becomes your only counsel; the Father can meet sorrow in the open.               |
| Day 124 | morning_impact | Confess where your good truly lives today; the Father is not asking you to build peace apart from Him.              |
| Day 125 | morning_impact | Let the Lord name your strength before pressure names your day; answer rescue with love.                            |
| Day 126 | morning_impact | Take the small faithful step mercy is sending you toward; God's covenant love travels farther than you can measure. |
| Day 127 | morning_impact | Call on God before distress becomes your plan; the cry in His ears does not have to be polished.                    |
| Day 128 | morning_impact | Act from refuge today, not exposure; the Father's covering can make joy steady while pressure stays loud.           |
| Day 129 | morning_impact | Rest this Saturday Sabbath in mercy and awe; beloved identity enters by love and bows with reverence.               |

## Judge And Auditor Loops

| Loop               | Passes | Evidence                                                                                                  |
|--------------------|--------|-----------------------------------------------------------------------------------------------------------|
| Voice judge        | 3      | All 7 impact lines now vary by entry theme and avoid the repeated `Let the Father's love carry` frame.    |
| Theology auditor   | 4      | Sabbath remains seventh-day/Saturday; commandment-keeping and obedience stay framed as response to grace. |
| Repetition auditor | 3      | The batch file now has zero old Volume 1 morning-impact templates.                                        |
| Production auditor | 3      | Repo source, public mirror, and Production Library manuscript receive the same edited text.               |
