

VOLUME 2 | JESUS THE SON

Walking with Jesus

*A 365-Day Devotional Journey with the Son
Companion Journal*

Susan 'Lady D' Damon

Reader Edition Review Proof

A Welcome from Lady D

Dear reader,

Bring your real morning to these pages. Bring the questions that followed you into the night, the responsibilities already calling your name, and the places where your faith feels strong or tired. You do not have to perform here. Begin with Scripture. Let God speak before fear, pressure, or another person's opinion gets the first word.

Read slowly enough to notice what meets your life. Pray honestly. Write what is true. Then carry one faithful response into the day. My prayer is that this journey helps you know God's love more deeply, walk with Jesus more closely, and make room for the Holy Spirit to form a life that is both tender and strong.

*With love,
Lady D*

How to Use This Journal

1. Return to the full KJV Scripture printed for the day.
2. Tell the truth before God in the writing space.
3. Complete one practical response without turning it into performance.
4. Close with the written prayer or make it your own.

Scripture Note

Scripture quotations are from the King James Version (KJV), using the standardized 1769 text distributed by eBible.org. Dates are shown without weekdays so the journey can be used in any year. The February 29 reading is bonus material for leap years or any day when an extra place to pause is needed.
