Expanded Scope of Work

LANE	INCLUDED WORK
Devotional Book Collection	Three 365-day devotional books: <i>Surrendering to God's Love</i> , <i>Walking with Jesus</i> , and <i>Filled with the Holy Spirit</i> ; author-review HTML editions; production formatting path; proofing and publishing preparation.
Companion Journals	Three paired companion journals aligned with the devotional collection, prepared for reflective use and print/digital formatting.
31-Day Visual Devotional	Visual devotional/product lane derived from the original 31-day devotional source and related publishing system, included as part of the expanded arrangement.
Juan R. Damon Testimony Book	Testimony/memorial book lane remains included in the payment arrangement at this cost, with structure, development, formatting, and publishing-prep support to be handled in the same controlled review/proof workflow.
Publishing + Distribution Prep	KDP paperback preparation, Kindle/digital prep, PDF/digital distribution packaging, cover/interior formatting, metadata support, proofing workflow, and author review portal/dashboard.
Rights + Voice Preservation	Preservation of Susan Damon's devotional voice; scripture/reference/provenance review; author-facing review gates; final approval workflow before public publishing.

Terms

- Prior \$200 payment is credited against the expanded \$2,500 package.
- Remaining \$2,300 balance covers the expanded scope listed above.
- Final publication remains subject to author approval, proof review, KDP/format validation, ISBN/barcode decisions where applicable, and any rights/scripture permissions required.
- Additional marketing campaigns, live event coordination, paid advertising, full audiobook narration/production, and future products beyond this listed package remain outside scope unless approved separately in writing.

Status

- Author review portal exists and displays the three devotional books in HTML format.
- PDF proof links are staged where current draft PDFs exist and can be upgraded as final proof PDFs are generated.
- Live project dashboard and Lady D website shell are now attached through the hub.
- Testimony book is explicitly included in this expanded invoice.
