

LADY D DEVOTIONAL LIBRARY

Surrendering to God's Love

Companion Journal

A Companion Journal for Receiving the Father's Heart

Susan "Lady D" Damon

Full 6 x 9 companion journal review draft - 365 daily reflection pages plus 1 February 29
bonus page

Prepared by IDC Publishing for author review. This is a designed review draft, not the final
KDP upload file.

How to Use This Companion Journal

Use this journal beside the devotional volume, one day at a time.

Read the day's Scripture reference and devotional entry first, then bring your honest response here.

The goal is not polished language. The goal is surrendered truth before God: what He is showing, what He is healing, and what He is asking you to practice today.

Weekly prayers, Sabbath reflections, review pages, and bridge pages are included so the year can become a formed life rather than a stack of isolated mornings.

Guardrail for This Draft

Sabbath language refers to the seventh-day/Saturday Sabbath. Obedience is presented as a response to God's grace, not a method of earning God's love.

Final publication still requires author approval, copyedit, theological proof, ISBN and permissions decisions, KDP Previewer review, and physical proof review.
